CAREER OBJECTIVES

I'm aimed at devoting my life as a professional engineer and a researcher. I've always found a zeal for applying my engineering knowledge in practical applications and preferred research activities for an exciting and challenging life. I've a goal to serve as an engineer in a reputed industry and continue higher education and research particularly in electrical machine.

FIELD OF INTEREST

- Electrical Machine
- Renewable Energy
- Antenna Beamforming

EDUCATIONAL QUALIFICATION

Year	Description of Degree	Achievements
2015-2019	Degree: B.Sc. in Electrical & Electronic Engineering (EEE) Institution: Rajshahi University of Engineering & Technology (RUET) Major Group: Power CGPA: 3.49 out of 4.00	1 st Class
2013-2014	Degree: Higher Secondary School Certificate (HSC) Institution: Govt. Azizul Haque College, Bogura Major Group: Science GPA: 5.00 out of 5.00 (All A+) Board: Rajshahi Education Board	HSC Government Board Scholarship (2015)
2011-2013	Degree: Secondary School Certificate (SSC) Institution: Hazradighi School and College, Bogura Major Group: Science GPA: 5.00 out of 5.00 (All A+) Board: Rajshahi Education Board	SSC Government Board Scholarship (2013)

TECHNICAL SKILLS

- Programming : (C, MATLAB)
- Simulation : (MATLAB, SIMULINK)
- Microsoft Office : (Word, Excel, PowerPoint)

UNDER GRADUATE THESIS

Thesis title: Performance Analysis of Linearly Arranged Concentric Circular Antenna Array Using Hybrid Tapering Technique.

Supervisor:

Md. Farhamdur Reza
Assistant Professor
Department of EEE
Rajshahi University of Engineering & Technology (RUET)

TRAINING

Training Name: Industrial Training Course

Duration: 14/05/2019 to 23/05/2019

Description: The training was conducted on power generation (steam turbine power plant, gas turbine power plant, combined cycle power plant and gas engine power plant), substation, switchgear and power plant simulator.

Institute: Ghorashal Training Centre, Bangladesh Power Development Board (BPDB), Ghorashal, Palash, Narsingdi

Contact No.: +88029466366
